"forming a second junction diode formed in the second conductivity well" should be -- forming a second junction diode formed in **the second conductivity-type well--**

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 1-12 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 1, "a second conductivity-type impurity" lacks a clear antecedent basis.
